The Next Chapter

We have been rescuing and rehoming cats and kittens from our current site in the Brentwood area for over 25 years, rehoming over 300 local cats every year and providing a safe haven for cats in desperate need of help.

After 25 years on the same site, we now have to move the PCL rescue centre by the end of 2025. That means finding, funding and moving the rescue to a new site over the next 18 months.

Without a rescue centre we won't be able to continue our vital work and so we're committed to finding a new site and continuing to save the lives of the hundreds of cats every year that need our help.

Whilst this is a big challenge it's also an exciting change and gives us the opportunity to take PCL into the next chapter.

We will update the target as we move through the different steps.

Step 6 – Last page, allowing gift aid is important as it's free money back for those that pay income tax!

Create a Fundraising Page

You're all set!

A couple of last questions and you can put your page live.

Gift Aid settings

Will your donors receive anything in return for their donation? For example, is this part of a bake sale, a raffle or ticketed event? If so, then your page is not eligible for Gift Aid. [More information.](#)

And that's all there is to it – It takes less than 5 minutes.

Share your page to your friends, family and work colleagues – even the postman.

If you get cash donations you can put it in your own account then make a donation from yourself or you can send it to us at the end and record an “off line donation” to ensure your total is accurate.
